TWO CITIZENS SERVICES DEPARTMENTS TO RELOCATE AS PART OF BUILDING CONSOLIDATION PLAN

FREDERICK, MD – The Frederick County [Citizens Services Division](#) announced today that the [Human Relations Department](#) and the [Office for Children and Families](#), as well as the administration office for the division, will relocate on November 21 from 520 North Market Street, Frederick, Md., to the third floor of the Public Safety Training Facility at [5370 Public Safety Place, Frederick, Md.](#)

The [Child Advocacy Center](#), also a department under the Citizens Services Division, will be moved to a different location within the City of Frederick during the same period of time.

These relocations are the result of the Frederick Board of County Commissioners' Countywide Synergy and Efficiency Concept Plan developed by the Building Consolidation Task Force that maps out a five-year effort to centralize "like" functions and improve existing space utilization. Key elements of the plan are to consolidate county programs, terminate the 520 North Market Street facility HVAC replacement project and to advertise the building for sale, resulting in considerable savings for county taxpayers.

Phone numbers and e-mail addresses will remain the same for all departments and personnel involved in the relocations.
